

MAKENTHIRAN DALAXSHAN

SOFTWARE ENGINEER

PROFILE

I am a BSc Information Technology graduate at SLIIT with 2 years of full-time experience as a Software engineer at "The Web Sushi". I have successfully worked on more than 13 projects and currently managing 3 ongoing projects. Additionally, I am responsible for maintaining all WordPress websites. I am proficient in multiple programming languages, with basic knowledge in AWS, Cloudflare, Hostinger, and Nginx setup. I am flexible, reliable, and dedicated, with strong time management skills.
